GENERAL	
1. Scope of bid	Bidders are invited to submit a bid for the goods/services/works specified in Section 5: Schedule of Requirements, in accordance with this Invitation to Bid (ITB). A summary of the scope of the bid is included in Section 3: Data Sheet. Bidders shall adhere to all the requirements of this ITB, including any amendment made in writing by IDB. This ITB is conducted in accordance with Policies and Procedures of IDB.
2. Interpretation of the ITB	Any bid submitted will be regarded as an offer by the bidder and does not constitute or imply the acceptance of the bid by IDB. IDB is under no obligation to award a contract to any bidder as a result of this ITB.
3. Eligible bidders	<p>Bidders shall have the legal capacity to enter into a binding contract with IDB. A bidder, and all parties constituting the bidder, may have the nationality of any country with the exception of the nationalities, if any, listed in Section 3: Data Sheet. A bidder shall be deemed to have the nationality of a country if the bidder is constituted, incorporated, or registered and operates in conformity with the provisions of the laws of that country.</p> <p>All bidders found to have a conflict of interest shall be disqualified. Bidders may be considered to have a conflict of interest if they are or have been associated in the past, with a firm or any of its affiliates that have been engaged by IDB to provide consulting services for the preparation of the design, specifications, and other documents to be used for the procurement of the goods, services or works required in the present procurement process.</p>
4. Origin of Goods & Services	<p>All goods, works and/or services to be supplied under the contract shall have their origin in any country apart from the countries, if any, listed in Section 3: Data Sheet, and all expenditures made under the contract will be limited to such goods, works and services.</p> <p>For purposes of this clause, "origin" means the place where the goods are mined, grown, or produced or the place from which the related services are supplied. Goods are produced when, through manufacturing, processing, or substantial and major assembly of components, a commercially recognized product result that is substantially different in basic characteristics or in purpose or utility from its components.</p> <p>The origin of goods, works and services is distinct from the nationality of the bidder.</p>
5. Proprietary information	The ITB documents and any specifications, plans, drawings, patterns, samples or information issued or furnished by IDB are issued solely for the purpose of enabling a bid to be completed and may not be used for any other purpose. The ITB documents and any additional information provided to bidders shall remain the property of IDB. All documents which may form part

6. Publicity	During the ITB process, a bidder is not permitted to create any publicity in connection with the ITB.
SOLICITATION DOCUMENTS	
7. Clarification of solicitation documents	Bidders may request clarifications on any of the ITB documents no later than the date indicated in Section 3: Data Sheet. Any request for clarification must be sent in writing in the manner indicated in Section 3: Data Sheet. Explanations or interpretations provided by personnel other than the named contact person will not be considered binding or official. IDB will provide the responses to clarifications through the method specified in Section 3: Data Sheet. IDB shall endeavor to provide responses to clarifications in an expeditious manner, but any delay in such response shall not cause an obligation on the part of IDB to extend the submission date of the bids, unless IDB deems that such an extension is justified and necessary
8. Amendment of solicitation documents	At anytime prior to the deadline of bid submission, IDB may for any reason, such as in response to a clarification requested by a bidder, modify the ITB in the form of an amendment to the ITB. Amendments will be made available to all prospective bidders. If the amendment is substantial, IDB may extend the deadline for submission of the bid to give the bidders reasonable time to incorporate the amendment into their bids
PREPARATION OF BIDS	
9. Cost of preparation of bid	The bidder shall bear all costs related to the preparation and/or submission of the bid, regardless of whether its bid is selected or not. IDB shall not be responsible or liable for those costs, regardless of the conduct or outcome of the procurement process.
10. Language	The bid, as well as any and all related correspondence exchanged by the bidder and IDB, shall be written in the language(s) specified in Section 3: Data Sheet

17. Bid Validity	<p>Bids shall remain valid for the period specified in Section 3: Data Sheet, commencing on the deadline for submission of bids IDB. A bid valid for a shorter period may be rejected by IDB and rendered non-responsive.</p> <p>During the bid validity period, the bidder shall maintain its original bid without any change, including the availability of the key personnel, the proposed rates and the total price. In exceptional circumstances, prior to the expiration of the bid validity period, IDB may request bidders to extend the period of validity of their bids. The request and the responses shall be made in writing and shall be considered integral to the bid. The bidder has the right to refuse to extend the validity of its bid without forfeiting the bid security, if required, in which case, the bid shall not be further evaluated.</p>
18. Only one bid	<p>The bidder (including the individual members of any Joint Venture) shall submit only one bid, either in its own name or as part of a Joint Venture. Bids submitted by two (2) or more bidders shall all be rejected if they are found to have any of the following:</p> <ul style="list-style-type: none"> • they have at least one controlling partner, director or shareholder in common; or • any one of them receive or have received any direct or indirect subsidy from the other/s; or • they have a relationship with each other, directly or through common third parties, that puts them in a position to have access to information about, or influence on the bid of another bidder regarding this ITB process; • they are subcontractors to each other's bid, or a subcontractor to one bid also submits another bid under its name as lead bidder; or some key personnel proposed to be in the team of one bidder participates in more than one bid received for this ITB process. This condition relating to the personnel, does not apply to subcontractors being included in more than one bid.
19. Alternative bids	<p>Unless otherwise specified in Section 3: Data Sheet, alternative bids shall not be considered. If submission of an alternative bid is allowed in Section 3: Data Sheet, a bidder may submit an alternative bid, but only if it also submits a bid conforming to the ITB requirements. Where the conditions for its acceptance are met, or justifications are clearly established, IDB reserves the right to award a contract based on an alternative bid.</p> <p>If multiple/alternative bids are being submitted, they must be clearly marked as "Main Bid" and "Alternative Bid". If no indication is provided as to which bid is the main bid and which is/are the alternative bid(s), then all bids will be rejected.</p>

20. Sealing and Marking of Bids	<p>Each Bidder shall submit one copy of the first and second components of its Bid. The Procuring Entity may request additional hard copies and/or electronic copies of the Bid. However, failure of the Bidders to comply with the said request shall not be a ground for disqualification.</p> <p>If the Procuring Entity allows the submission of bids through online submission or any other electronic means, the Bidder shall submit an electronic copy of its Bid, which must be digitally signed. An electronic copy that cannot be opened or is corrupted shall be considered non-responsive and, thus, automatically disqualified.</p>
21. Errors or omissions	<p>Bidders shall immediately notify IDB in writing of any ambiguities, errors, omissions, discrepancies, inconsistencies or other faults in any part of the ITB, with full details of those ambiguities, errors, omissions, discrepancies, inconsistencies or other faults. Bidders shall not benefit from such ambiguities, errors, omissions, discrepancies, inconsistencies or other faults.</p>
SUBMISSION AND OPENING OF BIDS	
22. Instruction for bid submission	<p>The bidder shall submit a duly signed and complete bid comprising the documents and forms in accordance with requirements in Section 3: Data Sheet. The Price Schedule shall be submitted together with the Technical Bid. The bid shall be delivered according to the method specified in Section 3: Data Sheet.</p> <p>The bid shall be signed by the bidder or person(s) duly authorized to commit the bidder. The authorization shall be communicated through a document evidencing such authorization issued by the legal representative of the bidding entity, or, if requested, a Power of Attorney, accompanying the bid.</p> <p>Bidders must be aware that the mere act of submission of a bid, in and of itself, implies that the bidder fully accepts the IDB General Conditions of Contract.</p>
23. Deadline for Submission of Bids	<p>The Bidders shall submit on the specified date and time and either at its physical address or through online submission as specified in Section 3: Bid Data Sheet.</p> <p>It shall be the sole responsibility of the bidders to ensure that their bid is received by the closing date and time. IDB shall accept no responsibility for bids that arrive late due to the courier company or any technical issues and shall only recognize the actual date and time that the bid was received by IDB.</p>
24. Storage of bids	<p>Bids received prior to the deadline of submission and the time of opening shall be securely kept unopened until the specified bid opening date stated in Section 3: Bid Data Sheet. No responsibility shall be attached to IDB for prematurely opening an improperly addressed and/or identified bid.</p>

25. Bid opening	Bids will be opened by the Procurement Review Committee (PRC) formed by IDB consisting of at least two (6) personnel. Bidders may attend the opening of the bids if stated in Section 3: Data Sheet. The bidders' names, modifications, withdrawals, bid prices, the condition of the envelope labels/seals, the number of folders/files and all other such details as IDB may consider appropriate will be announced at the opening and recorded on the bid opening report, which will be available for viewing only to bidders who have submitted a bid for a period of thirty days from the date of opening. Information not included in the bid opening report will not be provided to bidders. No bid shall be rejected at the opening stage, except for late submissions.
26. Late bids	Any bid received by IDB after the deadline for submission of bids will be destroyed unless the bidder requests that it be returned and assumes the responsibility and expenses for the repossession of the returned bidding documents. In exceptional circumstances, late bids may be accepted if it is determined that the submission was sent in ample time prior to the bid closing and the delay could not be reasonably foreseen by the bidder or was due to force majeure.
EVALUATION OF BIDS	
27. Confidentiality	Information relating to the examination, evaluation, and comparison of bids, and the recommendation of contract award, shall not be disclosed to bidders or any other persons not officially concerned with such process, even after publication of the contract award. Any effort by a bidder or anyone on behalf of the bidder to influence IDB in the examination, evaluation and comparison of the bids or contract award decisions may, at IDB's decision, result in the rejection of its bid and may subsequently be subject to the application of prevailing IDB's vendor sanctions procedures.
28. Evaluation of bids	<p>IDB shall evaluate a bid using only the methodologies and criteria defined in this ITB. No other criteria or methodology shall be permitted.</p> <p>IDB shall conduct the evaluation solely based on the bids received according to the evaluation criteria in Section 4.</p> <p>Evaluation of bids shall be undertaken in the following steps:</p> <ul style="list-style-type: none">a) Preliminary examinationb) Evaluation of eligibility and qualificationc) Evaluation of technical bidsd) Evaluation of prices of bids found to be substantially compliant <p>After completion of the evaluation, but prior to award, IDB shall conduct a post-qualification assessment of the bidder recommended for the award (if pre-qualification was not done) as per Article 40 (Post-qualification).</p>

29. Preliminary examination	IDB shall examine the bids to determine whether they are complete with respect to minimum documentary requirements, whether the documents have been properly signed, and whether the bids are generally in order, among other indicators that may be used at this stage. IDB reserves the right to reject any bid at this stage.
30. Evaluation of eligibility and qualification	The eligibility and Qualification of the bidder will be evaluated against the Minimum Eligibility/Qualification requirements specified in Section 4: Evaluation Criteria and in Article 3 (Eligible Bidders)
31. Evaluation of technical bids	Technical evaluation will be conducted to establish substantial compliance, as per the criteria included in Section 4: Evaluation Criteria. When the bid varies in one or more aspect/s from the minimum technical specifications and/or delivery requirements specified in Section 5: Schedule of Requirements, the bid will not be considered substantially compliant and will not be evaluated further.
32. Evaluation of prices	The prices of bids found to be substantially compliant will be compared to identify the most substantially compliant bid which represents the lowest overall costs to IDB.
33. Post-qualification	<p>IDB reserves the right to undertake a post-qualification assessment, aimed at determining, to its satisfaction, the validity of the information provided by the bidder. Such exercise shall be fully documented and may include, but need not be limited to, all or any combination of the following:</p> <ul style="list-style-type: none"> a. Verification of accuracy, correctness and authenticity of the information provided by the bidder; b. Validation of the extent of compliance to the ITB requirements and evaluation criteria based on what has so far been found by the evaluation team; c. Inquiry and reference checking with Government entities with jurisdiction over the bidder, or with previous clients, or any other entity that may have done business with the bidder; d. Inquiry and reference checking with previous clients on the performance on ongoing or completed contracts, including physical inspections of previous works, as deemed necessary; e. Physical inspection of the bidder's offices, branches or other places where business transpires, with or without notice to the bidder; f. Other means that IDB may deem appropriate, at any stage within the selection process, prior to awarding the contract.
34. Clarification of bids	IDB may request clarification or further information in writing from the bidders at any time during the evaluation process. The bidders' responses shall not contain any changes regarding the substance or price of the bid, except to confirm the correction of arithmetic errors discovered by IDB in the evaluation of the bids, in accordance with Instructions to Bidders Article 21 (Errors or omissions)

35. Responsiveness of bid	<p>IDB's determination of a bid's responsiveness is to be based on the contents of the bid itself.</p> <p>A substantially responsive bid is one that conforms to all the terms, conditions, and specifications of the bidding documents without material deviation, reservation, or omission.</p> <p>A material deviation, reservation, or omission is one that:</p> <ul style="list-style-type: none"> a. affects in any substantial way the scope, quality, or performance of the goods, services and/or works specified in the contract; or b. limits in any substantial way, inconsistent with the bidding documents, IDB's rights or the bidder's obligations under the contract; or c. if rectified would unfairly affect the competitive position of other bidders presenting substantially responsive bids. If a bid is not substantially responsive, it shall be rejected by IDB and may not subsequently be made responsive by the bidder by correction of the material deviation, reservation, or omission.
36. Right to accept any bid and to reject any or all bids	<p>IDB reserves the right to accept or reject any bid, and to annul the bidding process and reject all bids at any time prior to contract award, without thereby incurring any liability to the affected bidder or bidders or any obligation to inform the affected bidder or bidders of the grounds for IDB's action. IDB shall not be obliged to award the contract to the lowest priced offer.</p>
37. Samples	<p>Where required as per Section 5: Schedule of Requirements, free, non returnable samples shall be provided by the bid submission deadline for evaluation and testing by IDB or their representative, of the item and/or the packing and packaging, prior to any award. Samples will be subject to technical review and laboratory analysis where appropriate. Samples provided to IDB are non-returnable unless otherwise stated. Samples should be marked with the ITB number. If a bidder fails to provide samples or documents requested by IDB in a timely manner, IDB may declare the bid unsuccessful.</p>
AWARD OF CONTRACT	
38. Award criteria	<p>In the event of a Contract award, IDB shall award the contract to a bidder who has been determined as eligible and qualified and whose bid has been determined to be the lowest priced, substantially compliant offer to the ITB. IDB reserves the right to conduct negotiations with the bidder recommended for the award on the content of their bid.</p>
39. Right to vary requirement at time of award	<p>At the time the Contract is awarded, IDB reserves the right to increase or decrease the quantity of goods, works and/or services originally specified in Section 5: Schedule of Requirements, provided this does not exceed the percentages specified in Section 3 Data Sheet, and without any change in the unit prices or other terms and conditions of the bid and the bidding document.</p>

40. Notification of award	Prior to the expiration of the period of bid validity, IDB will notify the successful bidder in writing by email, fax or post, that its bid has been accepted. Please note that the bidder, will be required to complete the vendor registration process prior to the signature and finalization of the contract.
41. Debriefing	In the event that a bidder is unsuccessful, the bidder may request a debriefing from IDB. The purpose of the debriefing is to discuss the strengths and weaknesses of the bidder's submission, in order to assist the bidder in improving its future bids for IDB procurement opportunities. The content of other bids and how they compare to the bidder's submission shall not be discussed
42. Contract award	In that event IDB award the contract to the lowest evaluated bidder, whose offer is substantially responsive and is determined by IDB to be qualified to perform the contract satisfactorily.
43. Bank guarantee for advance payment	Except when the interests of IDB so require, it is IDB's standard practice not to make advance payment(s) (i.e., payments without having received any outputs). If an advance payment is allowed as per Section 3: Data Sheet, and if specified there, the bidder shall submit a Bank Guarantee in the full amount of the advance payment. Banks issuing bank guarantees must be acceptable to the IDB controller, i.e., banks certified by the central bank of the country to operate as a commercial bank.
44. Liquidated Damages	If specified in Section 3: Data Sheet, IDB shall apply Liquidated Damages for the damages and/or risks caused to IDB resulting from the Contractor's delays or breach of its obligations as per the Contract
45. Proposal protest	Any proposer that believes to have been unjustly treated in connection with this proposal process or any contract that may be awarded as a result of such proposal process may submit a complaint to psms@idb.ph.

b. It shall comply with all applicable laws, ordinances, rules and regulations when performing its obligations under this Agreement;

c. In all circumstances it shall act in the best interests of IDB;

a. No official of IDB or any third party has received from, will be offered by, or will receive from the Service Provider any direct or indirect benefit arising from the Agreement or award thereof;

b. It has not misrepresented or concealed any material facts in the procurement of this Agreement;

The Service Provider, its staff or shareholders have not previously been declared by IDB ineligible to be awarded agreements by IDB;

g. It has or shall take out relevant insurance coverage for the period the Services are provided under this Agreement;

h. The Price specified in this Agreement shall constitute the sole remuneration in connection with this Agreement. The Service Provider shall not accept for its own benefit any trade commission, discount or similar payment in connection with activities pursuant to this Agreement or the discharge of its obligations thereunder. The Service Provider shall ensure that any subcontractors, as well as the personnel and agents of either of them, similarly, shall not receive any such additional remuneration.

1. It shall respect the legal status, privileges and immunities of IDB as an intergovernmental organization, such as inviolability of documents and archive wherever it is located, exemption from taxation, immunity from legal process or national jurisdiction. In the event that the Service Provider becomes aware of any situation where IDB's legal status, privileges or immunities are not fully respected, it shall immediately inform IDB.

2. The Service Provider warrants that it shall abide by the highest ethical standards in the performance of this Agreement, which includes not engaging in any fraudulent, corrupt, discriminatory or exploitative practice or practice inconsistent with the rights set forth in the Convention on the Rights of the Child. The Service Provider shall immediately inform IDB of any suspicion that the following practice may have occurred or exist:

a. a corrupt practice, defined as the offering, giving, receiving or soliciting, directly or indirectly, of anything of value to influence the action of IDB in the procurement process or in contract execution;

b. a fraudulent practice, defined as any act or omission, including a misrepresentation or concealment, that knowingly or recklessly misleads, or attempts to mislead, IDB in the procurement process or the execution of a contract, to obtain a financial gain or other benefit or to avoid an obligation or in such a way as to cause a detriment to IDB;

c. a collusive practice, defined as an undisclosed arrangement between two or more bidders designed to artificially alter the results of the tender process to obtain a financial gain or other benefit;

- d. a coercive practice, defined as impairing or harming, or threatening to impair or harm, directly or indirectly, any participant in the tender process to influence improperly its activities, or affect the execution of a contract.
- e. an obstructive practice, defined as deliberately destroying, falsifying, altering or concealing of evidence material to IDB investigations, or making false statements to IDB investigators in order to materially impede a duly authorized investigation into allegations of :fraudulent, corrupt, collusive, coercive or unethical practices; and/or threatening, harassing or intimidating any party to present it from disclosing its knowledge of matters relevant to the investigation or from pursuing the investigation; acts intended to materially impede the exercise of IDB's contractual rights of access to information.
- f. any other unethical practice contrary to the principles of efficiency and economy, equal opportunity and open competition, transparency in the process and adequate documentation, highest ethical standards in all procurement activities.

The Service Provider further warrants that it shall:

- a. Take all appropriate measures to prohibit and prevent actual, attempted and threatened sexual exploitation and abuse ("SEA") by its employees or any other persons engaged and controlled by it to perform activities under this Agreement ("other personnel"). For the purpose of this Agreement, SEA shall include:
 - 1. Exchanging any money, goods, services, preferential treatment, job opportunities or other advantages for sexual favours or activities, including humiliating or degrading treatment of a sexual nature; abusing a position of vulnerability, differential power or trust for sexual purposes, and physical intrusion of a sexual nature whether by force or under unequal or coercive conditions.
 - 2. Engaging in sexual activity with a person under the age of 18 ("child"), except if the child is legally married to the concerned employee or other personnel and is over the age of majority or consent both in the child's country of citizenship and in the country of citizenship of the concerned employee or other personnel.
- b. Strongly discourage its employees or other personnel having sexual relationships with IDB beneficiaries.
- c. Report timely to IDB any allegations or suspicions of SEA, and investigate and take appropriate corrective measures, including imposing disciplinary measures on the person who has committed SEA.
- d. Ensure that the SEA provisions are included in all subcontracts.
- e. Adhere to above commitments at all times.
 - 1. The Service Provider expressly acknowledges and agrees that breach by the Service Provider, or by any of the Service Provider's employees, contractors, subcontractors or agents, of any provision contained in Articles 4.1, 4.2 or 4.3 of this Agreement constitutes a material breach of this Agreement and shall entitle IDB to terminate this Agreement immediately on written notice without liability. In the event that IDB determines, whether through an investigation or otherwise, that such a breach has occurred then, in addition to its right to terminate the Agreement, IDB shall be entitled to recover from the Service Provider all losses suffered by IDB in connection with such breach.

1. Assignment and Subcontracting

5.1 The Service Provider shall not assign or subcontract the activities under this Agreement in part or all, unless agreed upon in writing in advance by IDB. Any subcontract entered into by the Service Provider without approval in writing by IDB may be cause for termination of the Agreement.

5.2 In certain exceptional circumstances by prior written approval of IDB, specific jobs and portions of the Services may be assigned to a subcontractor. Notwithstanding the said written approval, the Service Provider shall not be relieved of any liability or obligation under this Agreement nor shall it create any contractual relation between the subcontractor and IDB. The Service Provider shall include in an agreement with a subcontractor all provisions in this Agreement that are applicable to a subcontractor, including relevant Warranties and Special Provisions. The Service Provider remains bound and liable thereunder and it shall be directly responsible to IDB for any faulty performance under the subcontract. The subcontractor shall have no cause of action against IDB for any breach of the subcontract.

2. Delays, Defaults and Force Majeure

2.1 Time is of the essence in the performance of this Agreement. If the Service Provider fails to provide the Services within the times agreed to in the Agreement, IDB shall, without prejudice to other remedies under this Agreement, be entitled to deduct liquidated damages for delay. The amount of such liquidated damages shall be 0.1% of the value of the total Service Fee per day or part thereof up to a maximum of 10% of the Service Fee. IDB shall have the right to deduct such amount from the Service Provider's outstanding invoices, if any. Such liquidated damages shall only be applied when delay is caused solely by the default of the Service Provider. Acceptance of Services delivered late shall not be deemed a waiver of IDB's rights to hold the Service Provider liable for any loss and/or damage resulting therefrom, nor shall it act as a modification of the Service provider's obligation to perform further Services in accordance with the Agreement.

2.2 In case of failure by the Service Provider materially to perform under the terms and conditions of this Agreement, IDB may, after giving the Service Provider 30 days' written notice to perform and without prejudice to any other rights or remedies, terminate the Agreement with immediate effect without liability.

2.3 Neither Party will be liable for any delay in performing or failure to perform any of its obligations under this Agreement if such delay or failure is caused by force majeure, which means any unforeseeable an irresistible act of nature, any act of war (whether declared or not), invasion, revolution, insurrection, terrorism, blockade or embargo, strikes, Governmental or state restrictions, natural disaster, epidemic, public health crisis, and any other circumstances which are not caused by nor within the control of the affected Party.

As soon as possible after the occurrence of a force majeure event which impacts the ability of the affected Party to comply with its obligations under this Agreement, the affected Party will give notice and full details in writing to the other Party of the existence of the force majeure event and the likelihood of delay.

On receipt of such notice, the unaffected Party shall take such action as it reasonably considers appropriate or necessary in the circumstances, including granting to the affected Party a reasonable extension of time in which to perform its obligations. During the period of force majeure, the affected Party shall take all reasonable steps to minimize damages and resume performance.

IDB shall be entitled without liability to suspend or terminate the Agreement if the Service Provider is unable to perform its obligations under the Agreement by reason of force majeure. In the event of such suspension or termination, the provisions of Article 16 (Termination) shall apply.

1. Independent Contractor

The Service Provider, its employees and other personnel as well as its subcontractors and their personnel, if any, shall perform all Services under this Agreement as an independent contractor and not as an employee or agent of IDB.

INDEPENDENT DECOMMISSIONING BODY

headquarters@idb.ph

#13 San Gregorio Street, Rosary Heights 13, Cotabato City 9600

Tel. No.: (064) 557-0277

2. Audit

The Service Provider agrees to maintain financial records, supporting documents, statistical records and all other records relevant to the Services in accordance with generally accepted accounting principles to sufficiently substantiate all direct and indirect costs of whatever nature involving transactions related to the provision of Services under this Agreement. The Service Provider shall make all such records available to IDB or IDB's designated representative at all reasonable times until the expiration of 5 (five) years from the date of final payment, for inspection, audit, or reproduction. On request, employees of the Service Provider shall be available for interview.

3. Confidentiality

3.1 All information which comes into the Service Provider's possession or knowledge in connection with this Agreement is to be treated as strictly confidential. The Service Provider shall not communicate such information to any third party without the prior written approval of IDB. The Service Provider shall comply with IDB Data Protection Principles in the event that it collects, receives, uses, transfers or stores any personal data in the performance of this Agreement. These obligations shall survive the expiration or termination of this Agreement.

3.2 Notwithstanding the previous paragraph, IDB may disclose information related to this Agreement, such as the name of the Service Provider and the value of the Agreement, the title of the contract/project, nature and purpose of the contract/project, name and locality/address of the Service Provider and the amount of the contract/project to the extent as required by IDB's donors or in relation to IDB's commitment to any initiative for transparency and accountability of funding received by IDB in accordance with the policies, instructions and regulations of IDB.

4. Intellectual Property

All intellectual property and other proprietary rights including, but not limited to, patents, copyrights, trademarks, and ownership of data resulting from the performance of the Services shall be vested in IDB, including, without any limitation, the rights to use, reproduce, adapt, publish and distribute any item or part thereof.

5. Notices

Any notice given pursuant to this Agreement will be sufficiently given if it is in writing and received by the other Party at the following address:

Independent Decommissioning Body (IDB)

Attn: [Name and title/position of IDB contact person] [IDB's address]

Email: [IDB's email address]

[Full name of the Service Provider]

Attn: [Name and title/position of the Service Provider's contact person] [Service Provider's address]

Email: [Service Provider's email address]

6. Dispute Resolution

6.1 Any dispute, controversy or claim arising out of or in relation to this Agreement, or the breach, termination or invalidity thereof, shall be settled amicably by negotiation between the Parties.

6.2 The present Agreement as well as the arbitration agreement above shall be governed by the terms of the present Agreement and supplemented by internationally accepted general principles of law for the issues not covered by the Agreement, to the exclusion of any single national system of law that would defer the Agreement to the laws of any given jurisdiction.

7. Status of IOM

Nothing in or relating to the Agreement shall be deemed a waiver, express or implied, of any of the privileges and immunities of the Independent Decommissioning Body as an intergovernmental organization.

8. Guarantee and Indemnities

- 8.1 The Service Provider shall guarantee any work performed under this Agreement for a period of 12 (twelve) months after final payment by IDB under this Agreement.
- 8.2 The Service Provider shall at all times defend, indemnify, and hold harmless IDB, its officers, employees, and agents from and against all losses, costs, damages and expenses (including legal fees and costs), claims, suits, proceedings, demands and liabilities of any kind or nature to the extent arising out of or resulting from acts or omissions of the Service Provider or its employees, officers, agents or subcontractors, in the performance of this Agreement. IDB shall promptly notify the Service Provider of any written claim, loss, or demand for which the Service Provider is responsible under this clause. This indemnity shall survive the expiration or termination of this Agreement.

9. Waiver

Failure by either Party to insist in any one or more instances on a strict performance of any of the provisions of this Agreement shall not constitute a waiver or relinquishment of the right to enforce the provisions of this Agreement in future instances, but this right shall continue and remain in full force and effect.

10. Termination

- 10.1 IDB may at any time suspend or terminate this Agreement, in whole or in part, with immediate effect, by providing written notice to the Service Provider, in any case where the mandate of IDB applicable to the performance of the Agreement or the funding of IDB applicable to the Agreement is reduced or terminated. In addition, IDB may suspend or terminate the Agreement upon thirty (30) days' written notice without having to provide any justification.
- 10.2 In the event of termination of this Agreement, IDB will only pay for the Services completed in accordance with this Agreement, unless otherwise agreed in writing by the Parties. The Service Provider shall return to IDB any amounts paid in advance within 7 (seven) days from the notice of termination.
- 10.3 In the event of any termination of the Agreement, upon receipt of notice of termination, the Service Provider shall take immediate steps to bring the performance of any obligations under the Agreement to a close in a prompt and orderly manner, and in doing so, reduce expenses to a minimum, place no further subcontracts or orders for materials, services, or facilities, and terminate all subcontracts or orders to the extent they relate to the portion of the Agreement. Upon termination, the Service Provider shall waive any claims for damages including loss of anticipated profits on account thereof.
- 10.4 In the event of suspension of this Agreement, IDB will specify the scope of activities and/or deliverables that shall be suspended in writing. All other rights and obligations of this Agreement shall remain applicable during the period of suspension. IDB will notify the Service Provider in writing when the suspension is lifted and may modify the completion date. The Service Provider shall not be entitled to claim or receive any Service Fee or costs incurred during the period of suspension of this Agreement.

1. Severability

If any part of this Agreement is found to be invalid or unenforceable, that part will be severed from this Agreement and the remainder of the Agreement shall remain in full force.

2. Entirety

This Agreement embodies the entire agreement between the Parties and supersedes all prior agreements and understandings, if any, relating to the subject matter of this Agreement.

3. Final Clauses

- 3.1 This Agreement will enter into force upon signature by both Parties. It will remain in force until completion of all obligations of the Parties under this Agreement unless terminated earlier in accordance with Article 16.
- 3.2 Amendments may be made by mutual agreement in writing between the Parties. Amendment of the provisions of Article 2.2 (Service commencement/completion dates) or Article 3.1 (Service Fee) shall be made through an amendment to this Agreement signed by both Parties.
